February 2010

Dear Utah Eagle,

I am writing to urge your active support of **Cherilyn Eagar** for the U.S. Senate from Utah. I have known and worked with Cherilyn since 1977 (when she helped me Stop ERA in Illinois), and I know her to be knowledgeable about the issues and passionate about defending our American values.

Utah is a key state in the 2010 elections, which could be the most important election of our time. Cherilyn Eagar is a solid conservative who has both the experience and courage to stand up to Washington, D.C. politics. She understands the Constitution and its limitations on government. She worked tirelessly to pass four defense of marriage amendments, as well as pro-life and anti-pornography legislation.

I attended your Utah Eagle Forum conference a few weeks ago and watched the five candidates for the U.S. Senate nomination sitting at the table together on January 16. I believe Cherilyn demonstrated that she is the best choice because she not only knows the issues, but she is the most articulate of all the candidates in responding to questions. I believe you would be very proud to have her represent your state in the Senate.

I hope you will help Cherilyn Eagar win the nomination at your May 8, 2010 Republican Convention. Here is what you can do. You can donate now to her campaign called "**Operation 2010**" — I suggest a gift of \$20.10 or more — and then organize your neighborhood **caucus to be held on March 23**.

You can contact Nelson Brown at NBrown@Eagar4Senate.com, and sign up to volunteer your help. You can make a secure donation online at www.Eagar4Senate.com or you can **send your check payable to Friends of Cherilyn Eagar for U.S. Senate, P.O. Box 901839, Sandy, Utah 84090**. You can make the difference in this election!

As a conservative in the U.S. Senate, Cherilyn Eagar will stand up against Obama's radical socialist spending, and also against the radical feminist agenda. America so desperately needs articulate conservative leaders, and I believe Cherilyn Eagar is the one candidate we really need.

Thank you for your dedication to defending the values of our great nation. Please join me in actively supporting Cherilyn Eagar for the U.S. Senate.

Faithfully,
